

A small, high-wing aircraft is silhouetted against a bright, golden sunset. The sun is positioned directly behind the aircraft, creating a strong backlight effect and casting a long, soft shadow on the runway. The sky is a gradient of warm orange and yellow tones.

AIRPORT MANAGEMENT COUNCIL OF ONTARIO
SPONSORSHIP PACKAGE

ANNUAL NETWORKING EVENTS

AMCO holds two major events each year hosted by our airport and aerodrome members giving them the opportunity to showcase their regions.

The **Spring Airfield Workshop** is a time to network, collaborate, and learn from each other's collective experiences.

The Workshop features informative seminars, opportunities to meet with peers and collectively work towards making Ontario's airports as safe and efficient as possible.

Bringing together delegates from around the province this is a great event to come and learn from your peers within the industry.

MISSION

AMCO's mission is to provide advocacy for and education to Ontario's airports and aerodromes.

VISION

AMCO's vision is to lead Ontario's airports and aerodromes to be the safest and most efficient in the world.

“ *The convention and workshops provide a great opportunity to not only learn from presenters and discussions, but to network with other airport personnel to gain more knowledge of how different situations are dealt with at other airports. Overall being a part of AMCO and participating in AMCO events and training is a great benefit to our organization.* ”

Terry Bos, AAE, BBA, President & CEO
