

The Niagara District Airport Commission is recruiting for an:

Airfield Maintenance Specialist – Winter Term Position

The duties include but not limited to:

- Operating a variety of unique heavy equipment to maintain the Airport's airside and public surfaces
- Performing general repairs and preventative maintenance work on all Airport surfaces
- Conducting airfield inspections and runway condition reporting
- Performing wildlife control
- Carrying out other duties relative to this position as required

The successful candidate will possess the following qualifications, skills and abilities:

- A valid Ontario Class 'D' Driver's Licence with air brake endorsement (Z)
- The ability to work rotating schedules, overtime and the ability to provide response to after hours calls to meet airport operational requirements
- The ability to communicate effectively in English in person and during radio transmissions
- 2-3 years of experience operating heavy equipment
- Experience working in an Airport environment is an asset

Training will be provided to the successful candidate in reference to the Airfield Maintenance Specialist responsibilities.

The Niagara District Airport Commission is an equal opportunity employer. Accommodations for job applicants with disabilities are available on request.

For a full job description, please visit our website www.niagaradistrictairport.ca

Qualified candidates are asked to forward their resume, references and any supporting documentation to bhenricks@niagaradistrictairport.ca by 4pm on October 21, 2016.

We thank all applicants for their interest, but only those selected for an interview will be contacted.
