

**Mr. Adam Biffin**

*Civil Aviation Inspector*

*Transport Canada*

Adam Biffin has been a Civil Aviation Safety Inspector, Aerodromes and Air Navigation with Transport Canada Civil Aviation Safety Operations, Specialties since November 2014. Adam is currently the principal inspector for 8 airports in the Ontario Region.

Adam worked in both the private and public sectors prior to joining Transport Canada full time, and his most recent experience was with Ornge Air Ambulance where he held positions as both an Aerodrome Conformance Officer with the Aviation Safety Department and a Communications Training Officer with the Operations Control Centre.

He had previously worked as a student/casual employee at Transport Canada Civil Aviation in the Aviation Enforcement Division. In addition, he worked with 704/705 carriers in Flight Operations Departments and at Flight Safety Canada with pilot training and maintenance courseware.
