

Airport Safety Program Intern

Hourly Rate: \$19.00

Weekly Hours: 35

Duration: 52 Weeks

Thunder Bay Airport Services, a subsidiary company of the Thunder Bay International Airport Authority is looking for a dynamic individual to fulfil the role of Airport Safety Program Intern within its Red Lake Airport Operation.

In the role of the Safety Program Intern, you will be given support, guidance and resources to build your knowledge and apply your skills.

Internship Learning Objectives:

- To develop and demonstrate a general and practical understanding of the operation of an Airport Safety Management System.
- To develop and demonstrate a general and practical understanding of the operation and maintenance of an Airport Quality Assurance program.
- To develop and demonstrate a general and practical understanding of all aspects involved in the management of a Municipal Airport.

Preferred Qualifications:

- Degree or diploma in airport management or other related fields
- Analytical and leadership skills
- Strong partnership development skills
- Detail oriented
- Ability to successfully complete airport industry specific training

This position is partially funded by the Northern Ontario Heritage Fund Corporation; therefore NOHFC criteria must be met.

Candidates Must:

- Be new entrants into the work force, transitioning to a new career, or the unemployed or underemployed who are entering a new field
- Not have previously participated in a NOHFC-funded internship
- Be at least 18 years of age
- Reside, and be legally entitled to work, in Canada
- Must possess a valid Ontario Driver's license

If you are interested in seeing your career soar, then apply today!
