

Christian Perreault, Senior Partner

Christian Perreault holds a Bachelor of Science and a Master's degree in International Management from the University of Québec, in Montreal. Christian has been involved with airport planning/marketing and economic development for twenty years. He's been heading the Explorer Solutions' team since 2006, and is the founder of the company's unique methodology to support investment attraction at airports; branded the "Airport Strategic Positioning Initiative." He previously was Vice-President – International Business Development for the Longueuil Economic Development, and CEO of the Haut-Richelieu Economic Council.

Christian's work has led to the creation of many aerospace clusters, such as the Upper Michigan Green Aviation Coalition, the Unmanned Aerial System Center of Excellence - Alma (Qc), and the Green Military Aircraft and Vehicle Research and Test Center (Houghton, MI). He was the driving force behind many aerospace-related projects, such as the Canadian GNSS Institute, the Longueuil Innovation Alliance Technology Park, and is actively involved in the Canadian and US airport and aerospace scene. He's an active member of the Aerospace Industries Association of Canada, the Canadian Association of Defence and Security Industries, the Michigan Association of Airport Executives, the Wisconsin and Minnesota Airport Associations, the Association of Unmanned Vehicle Systems International, the Airport Management Council of Ontario, as well as the Quebec Airport Council.
