

<b>Position</b>	<b>Dryden Regional Airport Manager</b>
<b>Reports to</b>	<i>General Manager of Airports</i>

**Job purpose**

This full-time position with benefits, reports to the General Manager of Airports. The Airport Manager is responsible for many administrative tasks, and safety sensitive functions in the daily operation of the Dryden Regional Airport. This includes a variety of tasks in the Airport Administrative offices and Airside/Groundside operations.

**Duties and Responsibilities include:**

- Monitoring of airside and groundside operations and escort persons/vehicles airside if required
- Ensuring the adherence to the Airport Inspection Program and Safety Management System regulations
- Manage Airside safety and security through the performance of airfield/runway inspections and wildlife inspections and control.
- Supervising Airport Operations staff
- Working with the Accountable Executive on operational issues as required
- Ensuring the health and safety of operational staff and airport users
- Explaining and enforcing Airport rules and regulations
- ensuring Airport policies are followed, make recommendations for policy modifications, or creation of SOP's
- Receiving, monitoring, and responding to community relations as required.
- Manage the airport's operational budget and make recommendations for capital expenditures including applications for funding.
- Initiate emergency response/activation of Airport Emergency Response Plan.
- Responsible for responding for an emergency event at the Airport and operate as the On-Scene Controller during the emergency
- Responsible for business development for the Airport
- contributing to the development and execution of the City of Dryden and Dryden Regional Airport Strategic Plans
- Preparing invoices and monitoring Accounts Receivable
- Developing, maintaining, and implementing Airport manuals
- Engaging with Airport tenants, employees, customers, and industry representatives in a professional and courteous manner
- Effectively leading and developing the Airport Operations staff
- Working with the City of Dryden's CAO and staff on Municipal related issues
- Attending the City of Dryden Council and Management meetings as required

## Qualifications

- Post-Secondary Aviation Education or equivalent aviation knowledge/experience
- TP312E course or equivalent experience
- Restricted Radio Operators Certificate (ROC-A) or obtain one within in 30 days of being hired
- Communication skills, written and verbal, to respond to customers and complete required Airport documentation procedures
- Proficiency with Microsoft Office software
- Previous experience working in a Government or Municipal Structure
- Valid Class “G” driver’s license or equivalent with clean abstract
- Experience in Airport business development
