

Marcel Pinon
Manager of Level of Service and Aeronautical Studies,
Nav Canada

Marcel is fluently bilingual and employed at NAV CANADA, the country's Air Navigation Service Provider, as the Manager of Level of Service and Aeronautical Studies. In that role he acts as a focal point for corporate level of service issues, including technical, infrastructure and operational requirements. He is part of a multi-dimensional team of analysts in the conduct of aeronautical, airspace and operational analysis.

Marcel is also keenly interested in the healthcare field and has been a member of the Carleton Place and District Memorial Hospital Board of Directors for the past 9 years and currently holds the position of past Board Chair.
