

The District Municipality of Muskoka is currently recruiting for the MUSKOKA AIRPORT BOARD OF DIRECTORS

An Overview of the Position

The District of Muskoka is in the process of developing the **first** Board of Directors for the Muskoka Airport. The Muskoka Airport is owned and operated by the District Municipality of Muskoka. Economic impact studies have estimated the regional economic contribution of the Muskoka Airport to be approximately \$30-\$40 million dollars per year.

As an inaugural Board Member, you will have a *ground floor* opportunity to set the future direction of the Muskoka Airport.

What We are Looking For

The District is focused on recruiting a “skills based” Board comprised of individuals who can bring the mix of skills, expertise and perspective needed to ensure the responsible, progressive operation of the Airport while also serving the unique and diverse needs of the people and businesses of Muskoka.

Council has identified the following industry knowledge and functional skill categories as priorities for inaugural members of the Board:

- Legal
- Financial
- Tourism
- Organizational Governance
- Aviation Industry
- General Business

The Opportunity

The Board will be responsible for the stewardship of the Muskoka Airport and for making recommendations for its growth and development. Full Terms of Reference for the Board are available at: www.muskoka.on.ca/airport.

If you have a desire to influence the future of the Airport and contribute to the governance of this important regional asset in a way that will provide Muskoka with the best air transportation products and services possible, then this is an opportunity for you.

How to Apply

The District of Muskoka's Council is employing a robust application and appointment process to select the inaugural board members. Odgers Berndtson, executive recruitment firm, is assisting the District with the appointment process. Please forward your resume in confidence to Margaret Campbell at Odgers Berndtson to margaret.campbell@odgersberndtson.com or submit your documentation online at www.odgersberndtson.com/en/careers/14446

Applications will be accepted until Thursday, November 30, 2017 @ 12:00 NOON
