

SSM AIRPORT - NEW EMERGENCY POWER GENERATOR SYSTEM UPGRADE

at

S.S.M. Airport - Maintenance Building Powerhouse,
1-475 Airport Road, Sault Ste. Marie, Ontario.

for the

SSM Airport Development Corporation.

Sealed tenders, clearly marked as to contents, will be received at the office of Nor Mech Engineering Inc., on or before 15:00:00h local time: **Monday - November 9, 2020.**

There will be a **mandatory** Pre-Tender site meeting and walkthrough to be held on Monday - **November 2nd, 2020 at 9:00am.** Due to COVID-19 pandemic, this walkthrough will be limited to only General Contractors and Electricians. Please bring a face mask, and try to keep your number of attendees to a minimum. Bidders are asked to meet at the SSM Airport Maintenance Garage gate parking lot, where you will be asked to sign-in on the Pre-Tender Site Visit Attendance Sheet prior to walkthrough.

Note that this project has a strict deadline for completion, whereby the Contractor must achieve Total Completion and have all invoices processed, prior to **March 31st, 2021.**

Tender forms, specifications and drawings will be made available electronically, or they can be viewed at the Sault Ste. Marie Construction Association, or may be picked up at the office of:

A tender deposit in the amount equivalent to 10% of the stipulated bid price, provided in the form of a certified cheque, bank draft or bid bond made payable to the Owner, shall be enclosed with the Bid.

Bidders are required to submit with their tenders an Agreement to Bond or Consent of Surety confirming that their Surety company will issue the required Contract security should their Bid be accepted.

The successful Bidder will be required to provide either a Performance Bond or Certified Letter of Credit equal to 50% of the Contract Price, and a Labour and Material Payment Bond equal to 50% of the Contract Price.

The Owner reserves the right to reject any and all tenders, and the lowest will not necessarily be accepted.
