

Mr. Ryan Brading

Manager, Airport Services

Thunder Bay International Airport

Ryan Brading is the Manager, Airport Services at the Thunder Bay International Airport. Ryan has been with CYQT for nearly 13 years, and is responsible for the oversight of Emergency response planning, Airport Rescue Fire Fighting, and airside safety, operations, and compliance. Prior to becoming a manager, Ryan gained 6 years of ARFF response and airfield maintenance experience with the airport as an Airport Operations Specialist. Ryan's presentation will provide an overview of an accident that occurred at the airport on August 16 2021.
