

### ANNUAL NETWORKING EVENTS

AMCO holds two major events each year hosted by our airport and aerodrome members giving them the opportunity to showcase their regions.

The Annual Convention and Trade Show is a time to network, collaborate, and learn from each other's collective experiences.

The Convention features our annual golf tournament; a trade show rich with experienced vendors; and sessions provided by peers, industry leaders, and numerous regulators and government representatives.

Bringing together delegates from around the country this is the premier event to break into the Ontario airports market or come and learn from your peers within the industry.

With exciting tours, featured speakers and informative seminars the professional development and camaraderie are second to none.

The convention and workshops provide a great opportunity to not only learn from presenters and discussions, but to network with other airport personnel to gain more knowledge of how different situations are dealt with at other airports. Overall being a part of AMCO and participating in AMCO events and training is a great benefit to our organization.

Terry Bos, AAE, BBA President & CEO SSMADC

## STUDENT SPONSORSHIP

(Any Amount)

Each year two deserving students are welcomed by AMCO though the Student Sponsorship program to attend the Convention and Trade Show. These students will be selected by an AMCO Board Committee based on applications and draft presentation proposals submitted by aviation students from around the province. The selected students will then present at the Convention.

It is our goal that through partnerships like this we can encourage the next wave of aviation professionals to choose a lasting career in the airport industry of Ontario. We hope that the students will find the convention enjoyable, educational, and helpful in their endeavour to find co-op positions.

## GOLF HOLE SPONSORSHIP

\$175

Each year Convention kicks off with a Golf Tournament! It's a fun time for golfers of every level to get out and enjoy some fresh air together. There are 18 Golf Hole Sponsorships available and there will be a sign posted at the tee off with your company logo and either a welcome message or an invitation to visit your booth during the main event.
