

Stephen Wilcox  
Airport Manager,  
Oshawa Executive Airport

Stephen Wilcox is the Airport Manager at the Oshawa Executive Airport and President of Total Aviation & Airport Solutions (TAAS). TAAS operates the airport on behalf of the City of Oshawa and the airport serves the Region of Durham and the east GTA for corporate, medical, police, GA and flight training flights.

Mr. Wilcox holds a commercial pilots license with over 40 years of aviation experience including the operation of a charter company. He has participated on the AMCO Board of Directors since 2007 and currently sits as Past President.
